Please don't wait until the Sunday morning your lodge is scheduled to inform me that your lodge can not make its commitment. Changes can be made if requested in a timely manner.**

**My Brethren please make every effort to support this program. This helps in paying on the obligation we owe to our veterans, who gave of themselves to keep our beloved country free. Let us give a little of ourselves.**

**This program is not only for the officers and members of the lodges but their families, if they chose. Most of the residences at the hospital, especially those in the Nursing Home, have no family members in the area and when a stranger steps into their room, just to say hello and asks about their welfare, they are very grateful and thankful that someone cares. This program means a lot to the patients and residences of the VA Medical Center. WE need your continued support.**
