  - Developing a Marketing and Communications Plan with staff, member and board participation
    - Including calendar, analytics, media kit for members
  - Implementing the plan, including coordinating with staff and contractor(s), and gathering key information from and training member groups
  - Administering online presence, including web site, calendar, and social media
  - Developing workplace campaign and other materials
  - Leading or participating in task forces and committees as assigned
  - Evaluating results and recommending improvements and resources

- Fall and Spring Giving/Learning/Doing Campaigns:
  - Promote activities with workplaces and place-based employee and donor audiences
  - Promote and evaluate to inform recommendations for future special campaigns
    - Social Media - Post photos real-time, afterwards
    - Testimonials – post on web site
    - Media – Business, CSR, Environment

- Program Planning and Evaluation: Workplace Giving and Volunteering, Member Engagement
  - Contributing to annual planning (April – June)
  - Developing and implementing evaluation strategies
  - Assisting with developing a workplace campaign plan for August – December giving campaigns
  - Assisting with engaging members with quarterly forums, surveys, and evaluations

- Administrative Support:
  - Assisting Executive and Assistant directors with office administration and tracking member participation

REQUIRED EXPERIENCE
- Bachelor’s degree and at least one year of communications, public relations, marketing, or related experience
- Experience with marketing planning
- Experience with program planning and evaluation
- Passionate and talented writer, editor, and verbal communicator
- Demonstrated skills and experience managing social media in a professional context
- Strong organizational and time management skills, with the ability to juggle multiple projects at one time
- Proficient with Microsoft Office software
PREFERRED EXPERIENCE

- Experience in blog and website management using WordPress; working knowledge of HTML is a plus.
- Experience or familiarity with customer relationship management (CRM) and email marketing software. Minnesota Environmental Fund currently uses SalesForce and Constant Contact.
- Working knowledge and experience with the Adobe Creative Suite including InDesign, Illustrator, and Photoshop.
