

**ENVIRONMENTAL CAREER OPPORTUNITY AT THE CHAPPELL GROUP, INC. (Pompano Beach Office/ Broward County)**

The Chappell Group, Inc. is a certified DBE/WBE/CBE/SBE firm that covers the specialized fields of wetlands delineation, benthic surveys (seagrass, coral, and hard bottom), marina and wetland permitting, marina design, wetland and benthic mitigation, and monitoring; threatened and endangered species surveys and habitat management plans; environmental impact assessments; and all forms of environmental permitting and compliance for Federal, State, and local agencies. Further information regarding The Chappell Group, Inc. can be found on our website at [www.thechappellgroup.com](http://www.thechappellgroup.com).

The Chappell Group, Inc. is currently seeking the following professionals:

**Environmental Compliance Manager**

Responsibilities include conducting construction observation and environmental permit compliance for multiple projects including but not limited to water quality and turbidity monitoring, manatee observation, and permit compliance inspections (wetland, coral, and seagrass monitoring and relocation) and reporting. Position may require oversight and management of field biologists with similar responsibilities. Position will also require assisting other senior staff in the company with the preparation and review of environmental resource permit applications, wetland delineations, benthic surveys, coordination with regulatory agencies, and project management. Salary is dependent on level of relevant experience and skills. Required Skills and Qualifications: Bachelor of Science; 2-5 years of relevant experience; and exhibit excellent verbal and written communication skills. Candidate must be proficient in snorkeling/diving; conducting work outdoors in terrestrial and aquatic environments in South Florida during all seasons of the year, working on a vessel/barge in all types of weather conditions, operating a small vessel or kayak, and must be SCUBA certified (AAUS Scientific Diver preferred but not required); the position may also require working on weekends.

The following are also desired skills for this position: AutoCAD/GIS capabilities, Report writing, Report Review, Flora and Fauna Identification and Construction Observation experience.

Job Type: Full-time (40 hours a week, possibly weekend days)

Job Location:

- Broward County

Required licenses or certifications:

- FL Drivers License and clean driving record

Required education:

- Must have minimum of Bachelor's degree

TCG is a Drug Free Workplace and may require a doctor administered physical examination.
