**ONLY ONE CANDIDATE ON NOVEMBER'S PRESIDENTIAL
BALLOT BELIEVES IN THESE VALUES.**

JOE BIDEN HAS A PLAN FOR ORGANIZED LABOR. DONALD TRUMP WANTS TO WIPE US OUT.

As President, Biden will:

- Hold corporations fully accountable for violations of labor laws;
- Empower workers by incentivizing unionization and collective bargaining; and
- Pass legislation that ensures that workers get the pay, benefits, and safety protections that they have rightfully earned.

In Trump's next term, he wants to:

- Defund Social Security, which provides benefits to workers, veterans, and our most vulnerable citizens;
- Continue to profit from cheap, dangerous foreign labor, instead of practicing his own "America First" priorities; and
- Sign the National Right to Work Act.
