

BREEZY POINT DAY CAMP 2020

COVID 19 PROCEDURES FOR FAMILIES AND STAFF

- ◆ **Upon arrival, STAFF AND CAMPERS will be given a daily health assessment, including temperature screening and symptom checking, which will be logged by the early-late director or the nurse. Any STAFF member OR CAMPER with a fever of 100 degrees or higher or showing symptoms of Covid19 will be sent home. Symptoms of Covid19 can include: shortness of breath, cough, fever, breathing difficulty, loss of taste or smell, headache, muscle aches, chills, sore throat, diarrhea, nausea, runny nose and fatigue.**
- ◆ **Campers and staff must stay at home if they are ill. If they are ill with Covid19 symptoms, a Covid19 test with a negative result needs to be submitted to the camp before returning. The camp nurse will determine if and when the camper or staff member may return.**
- ◆ **If a staff member or camper tests positive for Covid19, we will alert anyone who the staff member or camper has come in contact with. We will also alert all parents and staff members that someone in the camp has tested positive. They will be further instructed to monitor themselves for Covid19 symptoms. If a camper or staff member is showing signs of Covid19, they must contact the camp immediately. Campers or staff members showing signs must stay home from camp and isolate. If a camper or staff member show Covid19 symptoms during the camp day, they will report to the nurse for isolation and sent home.**
- ◆ **If a camper or staff member tests positive for Covid19 the entire camp grounds will be cleaned and disinfected.**
