● The Gallery collaborates with other entities to build a stronger arts community, enhance quality of place, and in time, establish a downtown ARTS district.

● The Gallery hosts two annual juried shows in the Spring and Fall, attracting a variety of regional artists.

● The Heartland School of Art offers classes in a variety of media for all levels to children and adults throughout the year.

● The Gallery features nine regional artists throughout the year, each with a month-long exhibit. An Open House is held for the community to meet the artists.

● The Gallery is proud to display the artwork of our own members who change out their collections bi-monthly. It is gratifying to see the variety of talent in accomplished artists in our own backyard.

● The Gallery hosts two annual fundraisers: The "Chair-ity" Event, where we give back to five local not-for-profit organizations, and a Christmas Raffle.
