2018 World Archery Field Championships

We had 3 Australian archers attend the 2018 World Archery Field Championships in Cortina Italy in the Dolomite's (Italian Alps) from 4th – 9th September 2018., including NSW Archer Michael Fisher from Illawarra Archers.

Michael Fisher ranked 8th with a 649, out of 32 competitors. He won his first match (3rd Round) against the 16th ranked archer in a one arrow shoot off after trailing by 3 points with two targets left. Unfortunately he went on to lose his second match against the 5th ranked archer Frederik Lundmark (Sweden) 82-83. Lundmark lost his Bronze medal match to Brady Ellison (USA)

Michael's final ranking for the World Championships was 9th, which is an amazing achievement.

Michael also went on to win the Barebow division at the Lancaster Classic Indoor event in America. Congratulations Michael, you had a fantastic 2018. We will now watch his [winning match](#).
