September 2021

On Thursday September 23rd, The Van will be leaving at 8am for a trip to Sam Walton Museum and Crystal Bridges Museum in Bentonville.

The Sam Walton museum opened in 1990, The museum is as much a part of Walmart's history as the exhibits and artifacts that it houses. While

visiting the Sam Walton Museum we will also have lunch. There are several restaurants within walking distance so there is something for everyone .

After lunch we will travel to Crystal Bridges Museum where we will see a renowned collection of art ranging from Rockwell to Warhol in a striking structure set on 120 lush acres.

We will be closed on Monday September 6th to celebrate Labor Day with our families.

Labor Day pays tribute to the contributions and achievements of American Workers and is traditionally observed on the first Monday in September. It was created by the labor movement in the late 19th century and became a federal holiday in 1894.

About Our Center

Dardanelle Senior Activity Center serves people who are 60 years of age or older, or are the spouse of someone who is 60 or older who participates in our program. Our services are low cost, *not free*. Although we receive some federal and state funding, we must generate money locally to help meet operating expenses. We ask that each participant donate as much as he or she is able. We ask for a \$5.00 donation for lunch. For visitors under the age of 60 and all carry-outs, the cost of lunch is \$8.00. Donations are extremely important and very much appreciated. Your senior center depends on you.

The center offers trips each month. If you would like to go on a trip, please sign up in the office or contact the center at 479-229-4129

Blood Pressure Machine
Remember we have a blood pressure machine in the library. Please feel free to use it.
