

NEW FIREARM OWNERS COURSE

4 HOURS

PRICE

\$80

This 4 hour workshop is designed for the new firearm owner looking to learn the very basics of owning a firearm.

The course will cover the identifying the different parts of the gun, how the gun functions, how to handle it safely, and develop your confidence. We'll also cover how to maintain the gun in proper working order, how to take it apart and inspect it to ensure proper function.

The next step in the class will be learning how to load, reload and eventually how to unload the firearm after having fired it.

The last part of the class will cover basic marksmanship. The student will shoot at a designated target to further develop your confidence and safe handling of the gun.

This is NOT a CCW "certificate of training" course.
