

JUNIOR

SERVICE MENU

Junior Academy

Our most popular junior development service vehicle

\$37
p/class

Weekly, small group classes provide the right balance between learning, skill practice/refinement, social competitiveness, fun and of course value for money!

- ✓ Max of 4 students per group
- ✓ Groups defined by age/ability (4-17yrs)
- ✓ 60min duration, typically 9 classes p/term
- ✓ On and off the golf course training - indoors and outdoors
- ✓ Progressive, motivating skill capability measuring/reporting system
- ✓ Skill development centralised around getting kids playing & performing on the golf course

Everything and anything to do with your child's golf development is logged via our golf app (free). Video's, lesson plans, homework, support resources, reports - all in the one place; too many benefits to mention!

Casual learning

Case by case learning when you need it

Suitable for adult/junior golfers wanting to take away a few work-ons to maximise their enjoyment of the game. Four amazing training areas to choose from including our state of the art covered driving range, two short game areas, or for those more experienced golfers - why not head out on the course and have a playing lesson. To top it all off, you will gain free access to our training app which acts as your private space housing all lesson reviews and other supporting media to help you along the way!

	45 min	60 min	90 min	120 min
1 x person (1:1)	\$105	\$140	\$210	\$280
2 x share (each)	\$58	\$77	\$116	\$154
3 x share (each)	-	\$56	\$84	\$112
4 x share (each)	-	\$46	\$68	\$91

Credit Packages

The cost effective way to improving your game

Credit Packages are pre-purchased blocks of time used when & how you want e.g. lesson duration, frequency and cover all skill areas that will influence your success in the game. Enjoy faster gains through a more pro-active development approach while saving money (bigger the investment, the bigger the saving). Your development journey e.g. lesson summaries, drills, videos, photos, support resources, are stored within your very own private training space within our golf app (free).

	3 hours	9 hours	18 hours	36 hours
1 x learner (1:1)	\$405	\$1,170	\$2,250	\$4,320
2 x share (each)	\$223	\$644	\$1,238	\$2,376
3 x share (each)	\$162	\$468	\$900	\$1,728
4 x share (each)	\$132	\$380	\$731	\$1,404

Family Learning

Connecting families through the game of golf

Make the game of a golf your families next & new shared hobby! Your families development journey (videos/photos/support resources) are stored in your very own private golf app (free). Families are presented with a visual and easy to follow "Intro to golf" document which paints a big picture of everything involved with playing, learning and enjoying the game.

- PRICING** ➡ Refer to the above Casual learning & Credit Packages
- MIX** ➡ Any child/adult mix (max of 4) e.g. 1 adult, 3 kids
- AGES** ➡ 3yrs + (subject to physical literacy, language skills and attention span)

Assessment & Prescription

The best way to kick start your development journey

\$199

Ideal for any new/experienced golfer wanting to fast track their progress in the game. After completing the initial 60 min consultation/assessment, you can look forward to receiving a prescribed action plan on how best to help you achieve your performance outcomes. This experience sets the basis of your future development pathway. Gain free access to our training space app which will house all future lesson video reviews + other media to help you along the way!
