For submission to the District Council, the Alignment Committee met on April 2, 2020 and approved the changes in alignment for District 16 that are listed below.

The names of the Committee members and the Division each represented in parenthesis are Brad Frizell, Chair (K), Michael Fresonke (A), Steve Self (C), Matt Branstetter (O), Cassandra Oliver-Divens (T), and Praveen Nagarajan (U). Present at the April 2 meeting was Brad, Michael, Matt, Cassandra along with District Director Darlene Jordan, Program Quality Director Kathleen O'Toole, and Club Growth Director Louann Marshall.

In order to make sure all Areas will start the year with at least four clubs as recommended by Toastmasters International, the Committee has recommended that two areas be eliminated: Area C4 and Area K4. The clubs in those Areas will be reassigned into existing Areas. In order to balance the Areas, it is recommended that a few other clubs be reassigned to new Areas. The clubs to be moved to new areas are listed in **bold** print.
