**Questions as you look 2<sup>nd</sup> time at photo choice:**

What does this photo remind you of?

How does this photo speak to what is happening in your life right now?

Pick two – three key words that describe your interaction (visio) with this photo.

**Questions as you look the 3<sup>rd</sup> time at photo choice:**

Review your prior sentences/ words you have written.

What would you name this photograph and why?

Do you see evidence/ or ideas of the Creator in this photograph? If yes, describe.

**Response questions**

Look closely at what you have written, take you time. First, circle at least three important words that stood out to you during this contemplation.

What do those three words mean to you when you see them together?

What was your primary discovery during this meditation?
