First Questions; they will appear on your screen, freeze it to jot them down or click on the line below this to have it print out on your computer printer.

What emotions surfaced for you during either listening to this chant?

Do you experience this repetitive type of music differently than a hymn with stanzas? If so, how do you describe that difference?

Do you feel the chant was spiritual to you when you didn't know the meaning of the words? Or did you have a deeper experience with the chant when you knew the meaning of the words?

Did the melody and harmony alone without knowing the meaning take you to a spiritual place of spiritual feelings? If yes, why do you think that happened?

# O Lord Hear My Prayer (Taize Chant)

O Lord hear my prayer.

O Lord hear my prayer.

When I call, answer me.

O Lord hear my prayer.

O Lord hear my prayer.

Come and listen to me.
