Wildwood Elementary Middle School is a Community School serving 700+ students in PreK-8th grade. As a Community School, Wildwood serves not just the students in its school building but the communities of Edmondson Village and Lyndhurst, too. Wildwood is the product of the merging of Rognel Heights EMS and Lyndhurst Elementary School (the site of Wildwood’s current 21st century building) in 2018. With the support of an excellent staff, dedicated parents and many generous community partners, its students are creative, vibrant, and excited for the path ahead of them.

**Vision:** Wildwood’s mission is to nurture, engage, and empower the whole child for life-long excellence.

**Mission:** To empower the whole child through rigorous and effective instructional practices, student’s engagement, and on-going school wide collaboration that is student centered and goal oriented.

**Academics:** Wildwood has a robust academic program that gives all students PreK to 8th an opportunity to achieve. Parents and school partners are actively involved in helping staff to meet and exceed academic goals. The academic program includes:
