

Why attend DISCOVER 2021?

You only take time out of your busy schedule for essential events, such as new technology demonstrations, informative seminars and specialized training. DISCOVER 2021 is your gateway to all of these experiences – and your opportunity to find your shop's solutions for a prosperous future. Need more reasons to attend? Try our top 10.

1

EXPERIENCE NEW TECHNOLOGY See nearly 20 advanced machine tools and automation technologies in action – including 9 machines that are making their North American debuts – along with the digital solutions, support and training you need to make your Mazaks work harder for you.

2

BUILD YOUR SKILLS Find the learning opportunities that will help your team build up its skills, take on new types of work and enhance its approach to current jobs.

3

LEARN FROM INDUSTRY LEADERS Soak up the expertise of some of the leading minds in metalworking at North America's largest private manufacturing event.

4

SEE ARTIFICIAL INTELLIGENCE AT WORK From smart CNCs to advanced – and easy-to-use – programming options, see how AI and machine learning can improve your work and your workflow.

5

WATCH MAZAKS BUILD MAZAKS See our Mazak iSMART Factory™ in action, including automation and networked machines. Find out how you can apply our techniques in your own shop.

6

LEARN AT OUR KNOWLEDGE BARS Bring your tough questions and receive expert answers on Autodesk CAD/CAM software, automation, hybrid technologies, machine networking, Mazak Capital Equipment Financing (MCEF), and MAZATROL conversational programming.

7

EASY, QUICK FINANCING Why struggle with financing sources that don't understand your business? With Mazak Capital Equipment Financing (MCEF), it's a seamless process with a single source, quick responses and excellent rates.

8

FIND WORLD-CLASS SUPPORT With Mazak's MPower complete customer care program, we're with you every step of the way. You'll find everything you need to keep your machine tools running strong. Access phone support, request service, sign up for technical training, order parts, track a spindle rebuild and so much more.

9

GET THE LATEST TRENDS Learn what's new in manufacturing and how it applies in many industries. Find your next opportunity or grow your current approach.

10

TRADE NOTES WITH NEW PEOPLE You never know whom you'll meet at a DISCOVER event, including referrals, partnership opportunities and more.
