

Leadership & Development Council

Comprised of Faculty Realm Chairs and the Executive Director

Ensures that school education-related policies and curriculum align with the standards indicated in the school charter and the state board of education

Pedagogical development, support of faculty and in-service

Mentors faculty within their respective realms.

Ensures realm faculty are being provided appropriate resources and support in multiple areas, including lesson planning, mentoring, approaches to student discipline, adherence to and compliance with state curriculum standards and the Waldorf pedagogy.

- Faculty Realm Chairs are responsible for developing and advancing a blended model of the core principles for public Waldorf Education and Arizona state standards.
- Work closely with the Executive Director and Leadership & Development Council (LDC) to:
 - Support, implement, and manage the pedagogical and administrative objectives and decisions to inspire a culture of collaboration;
 - Adhere to the school's vision and mission;
 - Ensure that school education-related policies and curriculum align with the standards indicated in the school charter and the state board of education.

Faculty Realm Chairs (FRC)
