3. Special Reports

- a) Principal's Report: Ms. Piszczek stated that all are disappointed with having to go back virtual and that everyone cannot wait to be back in person full time. Currently students are virtual five days a week. The CM virtual schedule has been adjusted to be age appropriate for kindergarteners and first graders. Each teacher has made their own schedule for their classes. Classes will begin with smaller groups within the class. Any questions, please reach out to the teachers or Ms. Piszczek. Specials have been tasked with live Zooms. She will be checking in to see how it's going. The teachers have been given limited time slots to conduct the live Zooms and will be fine tuning as the weeks go on. She reiterated that students and parents should do their best with Specials. She is hoping that the target return date to in-person learning sticks and everyone can be back.
- b) Guidance Report: Ms. Green was unable to attend the meeting. Mrs. Piszczek said that Ms. Green was holding meetings with students and parents. Parent meetings were scheduled for 12/7 and 12/10 @ 7pm.
