* Never use hydrogen peroxide with Miicrobial Mass or any other microbial product as it will kill your microbes!
 ** Use as foliar spray once/week and only spray with main lights OFF. Turn lights back on only once product has dried on leaf surface.
 Always add products to water individually, do not pre-combine. Mix thoroughly. Adjust pH only after all products have been added.

Garden Guidelines:
 Room Temperature: Day 75F(23C)-85F(28C), Night 60F(15C)-70F(20C). Water Temperature: 62F(16C)-65F(18C)
 Light Cycle: Grow: 18 hrs ON, 6 hrs OFF. Bloom: 12 hrs ON, 12 hrs OFF.
