

*"Share what you know,  
Learn what you don't."*

*Dedicated to providing computer information and assistance to computer users, IT professionals and small business owners.*

*User groups provide an opportunity to network with other computer users and IT professionals. We offer many Special Interest Groups (SIGs) that provide tips, tricks and answers to those elusive questions.*

*Non-members are always welcome to visit and participate in two SIG meetings without charge.*

**Meetings are 3<sup>rd</sup> Saturday  
of each month**

***During the COVID-19 pandemic, where  
SIG Leader(s) find it feasible to do so,  
monthly NTPCUG meetings are  
converting to online only meetings.***

on ...**

## Monthly Meeting Schedule – April 17, 2021

*(Subsequent meeting: May 15, 2021)*

Three SIG's and one **Special Presentation** plan to meet online this month. **Pre-registration may be required for some presentations**, although very easy to do – just follow the instructions below.

### **Powershell – 8:00 am – 10 am**

For the PowerShell SIG beginning at 8:00, we will have a general "All Things Related to PowerShell" discussion in an online meeting format. *Join us !!*

**To request to join the GoToMeeting invitation**, please e-mail **Larry Weiss** using [lfw@airmail.net](mailto:lfw@airmail.net).

### **Making Money Online – 9:00 am**

For the April 17<sup>th</sup> meeting, Howard Harkness will describe how to get started with affiliate marketing, and why that is the most logical approach for a beginner.

**If you wish to attend**, please notify Howard by email to receive a ZOOM meeting invite early Saturday morning. [howard@howardleeharkness.com](mailto:howard@howardleeharkness.com)

### **Internet/Windows Inside-Out – 11 :00 – Noon**

In April, **Tom Sweet** will discuss "The 802.11b Penalty, a 50% performance loss in your wireless network".

Tom plans to discuss taking an inventory of your wireless devices and disabling unnecessary backwards compatibility to improve wireless network performance.

**To join Tom's meeting**, please e-mail [SIGrequests@ntpcug.org](mailto:SIGrequests@ntpcug.org) with "Internet SIG" in the **Subject** line.

### **Special Presentation – 10:00 to 11:00 am**

**Using Your Smart Phone for Everything**, by **Bill James**, VP of Operations, Computer Club of Oklahoma City; APCUG Advisor, Region 8

Bill's presentation looks at some of the apps that are available on Smartphones that allow you to work, play, and really use your Smartphone for virtually everything. Although this presentation will focus on Android devices, the concepts can be applied to both Apple and Android products.

**To join Bill's meeting**, please e-mail [SIGrequests@ntpcug.org](mailto:SIGrequests@ntpcug.org) with "Special Presentation" in the **Subject** line.

**Bill's Bio** : Bill first became involved in a PC User's Group in 1992 when he joined the Oklahoma PC User's Group, now known as the Computer Club of Oklahoma City, to learn more about the computer he purchased. He has been a member of the club's Board of Directors since 1998, was elected President in 2000 for two terms. Bill also serves as VP-Operations and newsletter editor, and frequently gives new software presentations.

Bill attended his first APCUG Fall Conference in 2003, is a past APCUG Region 6 Advisor (KY, IL, IN, MI) and Treasurer, and served on the APCUG Board of Directors from 2006 to 2009. Bill currently is serving as the APCUG Region 8 Advisor (AR, KS, LA, MO, OK, TX).

Bill retired from the FAA in Oklahoma City, OK in 2007 where he worked for 38 years.
