

TRANSFORMING CAREER & TECH EDUCATION

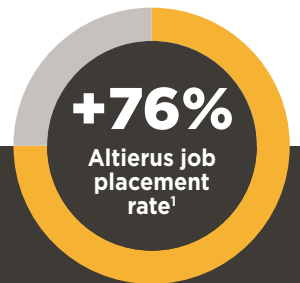

NONPROFIT VALUES THAT DRIVE STUDENT OUTCOMES

As a nonprofit career college, we're able to reinvest in a holistic student experience and surround students with a caring community all the way through their journeys. With additional funding from **ECMC Foundation**, a nonprofit affiliate, students benefit from new technology, modern facilities, and industry equipment as they train for successful careers.

HOLISTICALLY PREPARING STUDENTS TO **THRIVE**

As soon as students enroll, we're here to surround them with the support they need to thrive. Our all-inclusive training provides students with modern tools, technology, and equipment to maximize their learning potential. Blended learning gives them online flexibility to balance school and life while still receiving valuable hands-on training on campus. And our focus on professional skills helps students graduate ready for their new career.

All of this and more is included in tuition with no additional fees.
