

CWT

Compensated Work Therapies

and other Vocational Services provided to Veterans by the VA and its Partners

PUTTING VETERANS BACK TO WORK

CWT Mission

The mission of the CWT Program is to provide support to any job seeking Veteran, including those living with mental illness or physical impairment and/or with barriers to employment, to secure and maintain community based competitive employment.

CWT Staff

Vocational Rehabilitation Specialists provide evidence based and informed vocational rehabilitation services including:

- Resume and cover letter review, job search skill building, interview training, and career development
- Work support for Veterans and employers including job coaching
- Highly responsive partnerships with businesses, agencies, and non-profit organizations to promote employment opportunities for Veterans.

All team members work together for the best possible outcomes for our job seeking Veterans.
