FINANCIAL AID POLICY:

Doral Soccer Club offers a limited number of scholarships to its members based solely on demonstrated financial need in order to assist them in the payment of the club's annual fees. The club will assist these members in providing them individual fundraising opportunities to help them fulfill their obligations and other expenses. Financial aid applications for each season must be received 1 week after Try-outs of current season. We cannot guarantee that applications submitted after this date will be considered for a financial aid award. ALL documentation is required to be considered for any financial aid. ALL Financial aid applications are reviewed and awarded at the end of the August.
