

## **The Annual .buzz Bundle Rebate Program**

### **Summary:**

As a .buzz registrar partner you are invited to participate in a special program to offer a rebate on .buzz registration, transfer-in, or renewal wholesale cost, when offered with a complementary web services, such as email, website builder, or hosting. For .buzz domains sold in a bundled service, we will offer a \$13 rebate on the wholesale fee for .buzz domains. The terms and conditions for the program follow below.

### **1. Registry Commitments:**

Provide a rebate of \$13 on the wholesale price of all standard price domain registrations, renewals and inbound transfers (including multi-year transactions) so long as a registration is attached as a primary domain name to a hosted website or web-service (such as email) provided by the contracted Registrar.

Domain names registered as part of this program will continue to be rebated for two subsequent renewals after the termination of the agreement.

Promotion will be credited monthly as a rebate on the next invoice cycle

### **2. Registrar Commitments:**

Registrar agrees to include subject TLD(s) as part of all paid plans currently offered at no additional cost to customers for the life of the plan. If registrar changes new plan structure to exclude domain from plan the agreement will not apply to future registrations.

Registrar will include subject TLDs in future paid plans when commercially viable (plan meets reasonable minimum purchase price/revenue levels).

Registrar agrees to offer non-bundled purchases of subject TLDs at retail prices based on standard wholesale price unless otherwise engaged in a separate marketing agreement.

Registrar will provide detailed report of domain names registered as a part of the promotion after the close of the month. All reasonable efforts will be taken to deliver such report by the 10<sup>th</sup> of the month following the reporting period.

Domain names which have been deleted during AGP will not be included.

Domain names which have been removed/replaced as a primary domain name will not be included.

Domain names which have been removed from a website or web-service plan will also be removed from subsequent renewal reports.

Domains names which have subsequently been acquired and added as a primary domain name to a plan will be added to reporting.

### 3. Term

Agreement will renew annually beginning January 1, 2018. From 2019 and thereafter, either party may terminate with 90 days notice. In the event either party does not fulfill their obligations this agreement may be terminated for cause.
