

**NEW: BSc. DEGREE AND  
CONCENTRATION IN APPLIED  
PSYCHOLOGY**

# SOCIAL WORK

(Bachelor of Science in Social Work)

Are you interested in working with vulnerable individuals in communities?

Do you want to explore the complexity of everyday changing societies and respond effectively to the needs of individuals, families, and groups?

Do you have a passion for enacting social change and believe you currently have skills that can be honed?

Do you want to guide individuals to be empowered so they can enhance their well-being?

Need to learn more?

**New Concentration- Applied Psychology**

(Bachelor of Science in Social Sciences)
