

PUBLIC NOTICE OF 19/07/2021

The leadership of Rwanda Aid, an International Non Government Organisation registered in UK with Reg.No. 1124634 and in Rwanda with Reg.No 030/RGB/17, is pleased to re-inform its partners, stakeholders and public in general that we are in process of changing our organisation's name from **Rwanda Aid** to **Rwanda Action** in order to better reflect the work we do in Rwanda.

Our vision is to empower communities to take action and build capacity in order to reduce poverty rather than delivering aid.

Thank you for your understanding.
