At NEW, we believe that Poverty is a monster destroying hope and prosperity in the lives of low income communities and their families. Using NEW’s transformative approach we connect people, communities, and families to their own sense of power and economic mobility. We implement a holistic approach in all we do by addressing families' basic needs, such as finding a stable and safe place to live, to supporting ambitious plans such as purchasing a home or starting a business.

At NEW we respect and honor all families, communities and cultures. We encourage innovation and “thinking outside the box”. We expect all employees to connect, create, and celebrate by being authentic, bold, engaged and transformational.

Position Summary:

The data entry specialist performs data entry of information to maintain FSC database(s) through custom software. This position is responsible for accuracy, efficiency and retrieval of processed data. The data entry technician will proof material entered as required and generate data reports as required.
