

Natural Clear Skin - Beautiful Complexion Set

Our Natural Clear Skin~ Beautiful Complexion Set is a simple natural solution to a beautiful clear vibrant face. Taking 4 quick steps daily and one step once a week will leave your skin smooth, clean and fresh with a natural glow that people will notice. You will see and feel the difference in your complexion.

Steps 1-4 Daily & Exfoliate once a week

Step 1: Face Wash No. 1 is an Activated Charcoal, Tea Tree & Organic Fruit extract face wash that provides a cleansing lather leaving skin smooth, clean and fresh. Sulfate and Paraben Free! A little lathers up nice and goes a long way! Activated Charcoal assists with removing impurities by drawing bacteria and micro particles to the surface of the skin. If your skin seem sensitive, give it time while it's removing impurities.

DIRECTIONS: Dampen your face with water and dispense a small amount of wash onto your fingertips and massage in circular motions around your face to create a lather. Rinse well.

Step 2: Complexion Serum No. 2- is a unique blend of essential oils and extracts with anti-inflammatory, antibacterial, anti-fungal and anti-viral properties that promotes clear skin. A light refreshing serum that promotes beautiful clear skin for a natural healthy radiance. You can feel the difference after one application!

DIRECTIONS: Dispense 2-5 pumps onto fingertips and gently massage in a circular motion around face and neck. It's very thin viscosity and a little goes a long way. You may feel a slight warming sensation on your face momentarily and this is normal and goes away quickly. This is a "leave on" product.

Please Note: This product can be used for other skin irritations and can be applied several times per day. It is the little sister to our Original Skin Repair No. 01 and has antibacterial properties.

Step 3: Morning Bright Eyes No. 3- is for use around eyes and face. Promotes lightening dark circles, smoothing fine lines, improves skin tone, resilience and promotes cell rejuvenating.

DIRECTIONS: Apply a small amount to fingertips and gently massage around eyes. Can be used around lips and all over face if desired. You may feel a cooling sensation.

Step 4: Stop The Clock No. 4- is a brilliant light face moisturizer that seems to stop the clock the moment you apply it. When your skin is hydrated it definitely has a more youthful appearance. Our creatively blended formula is packed with heavy hitters to help reduce signs of aging for skin that has seen it all and also keeps youthful skin looking young. A little goes a long way!

DIRECTIONS: Apply a small amount to fingertips and massage in small circular motion to face and neck if desired. Can be used morning and night, does not clog pores and is non-greasy.

Exfoliate On Sunday No. 5- promotes smooth clear skin by removing dead skin cells and helps reduce signs of aging for a healthy radiant smoother complexion.

DIRECTIONS: Use **only once a week** and use **after the Face Wash** the day you use it to remove any sweat or make-up so you are working with a clean face. Apply water to your face and then apply a small amount to fingertips and massage gently in circular motion on your face. Rinse well.
