Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes within the same Trial Weekend-Multiple Jump Heights within the Same Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred Classes is allowed.

Please note that if a dog qualifies in Regular Master STD and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that STD agility and JWW be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry form for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go ON will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

COVID-19 Waiver and Behavior Expectations

Gem City will be following the CDC recommendations on social distancing and face coverings as they have been shown to reduce the spread of the virus.

All exhibitors and workers will need to follow this protocol. If you feel that you are **unable or unwilling to adhere to the protocol, please do not attend this trial.**

1. **GENERAL**--Exhibitors that are entering this trial held at the Gem City Bldg. must comply with all Federal, State, and Local Laws. **Anyone who is ill for any reason must stay home. You will receive a full refund.** Entering an agility trial at any time is done entirely at your own risk. If a Club suspects an exhibitor is ill, they will ask for that exhibitor to leave the trial grounds immediately. Exhibitors should expect longer days at the Trial due to some of the extra steps Clubs and Judges must take to make sure the Trial is safe for all.
2. **CRATING**—There will be indoor crating. In addition, there will be parking spaces close to the building reserved for Outdoor crating. FYI, you cannot do both-one or the other.
3. **RESERVED CRATING**—Due to the limited number of crating spaces available, **all crating spaces will be reserved and assigned** to each exhibitor. If you have a group of people that you would like to crate next to please put a note in with your entry. The crating assignment sheet will be sent out with the final confirmation letter.
4. **SPECTATING**—No spectators will be permitted. Only exhibitors that are entered in the trial are allowed in the building. Only dogs that are running and workers will be permitted in the ring area. **NO SPECTATORS!** There will be a video feed of the ring and each team is allowed a designated video friend. Exhibitors and videographers must leave the area immediately after the run. Also, **no unentered dogs**, due to limited crating, unless approved by the Event Committee.
5. **MASKS**—All exhibitors must supply their own masks

****IN THE BUILDING (OUTSIDE THE RING):** Masks are always required to be worn by anyone entering the building (Nose and mouth covered)

****IN THE BUILDING (INSIDE THE RING):** The Judge is not going to require the exhibitor to wear their mask over their nose and mouth while running. However, you will need to wear your mask into the ring and then remove it and put it back on as you exit the ring. The requirement to wear a full mask while running could change depending on the Judge's situation with COVID-19. If the mask situation changes, exhibitors will be notified in time to pull.

****OUTSIDE ON TRIAL GROUNDS:** Masks are required if physical distancing of 6' or more is not possible. Exhibitors will need to bring enough masks for the duration of the trial and dispose of them properly in the trash. **If you have a disability that would affect wearing a mask, we suggest that you sit this trial out.**

6. Food will not be available for purchase or sharing. We may arrange box lunches for workers. Please do not bring MACH cake (per AKC Guidance) or snacks to share. Award bar signings are also not permitted except in your private group.
7. Gem will observe trial management protocol including the use of safety precautions when handling leashed, paper, etc.

GEM City's building is cleaned and sanitized on a regular basis. All touch surfaces will be sanitized before the trial and during. Hand sanitizer, disinfectant cleaning products and hand washing supplies will be available throughout the trial.
