CONSULTING ENGINEER REVIEW NOTICE

TO ALL PROPERTY OWNERS AND/OR CONTRACTORS PLANNING TO DEVELOP AND OR CONSTRUCT IN SCHUYLKILL TOWNSHIP

The Township's Consulting Engineer is required to review submitted plans and calculations.

The applicant is responsible for any costs incurred for reviews and inspections made by the Consulting Engineer. Furthermore, the costs of any meeting held with the Township Consulting Engineer as well as telephone conversations, e-mail correspondence or any other communication at the request of or on the behalf of an applicant and/or the project architect or engineer must also be borne by the applicant. Invoices will be mailed to the applicant for all applicable engineering fees, at the current rate.

Before first engaging with the Township's Consulting Engineer, the applicant must sign this notice acknowledging that the applicant is aware of the costs to be paid by him/her.

I have read this notice in its entirety and am aware of the Township Consulting Engineer costs and acknowledge that these costs will be paid by me to Schuylkill Township.
