

## **What Is Beanstack?**

Beanstack is an online software program that will help the Sequoyah Regional Library System facilitate their Summer Reading Program. Beanstack helps you keep track of your reading minutes over the course of the summer, earn badges, log activities, get book recommendations, view book lists, write reviews and more!

## **When Will This Program Begin?**

The Sequoyah Regional Library System's Summer Reading Program (SRP) will begin using Beanstack on June 1<sup>st</sup> and will continue using this program all summer until July 31<sup>st</sup>.

## **How To Get Started In Beanstack?**

Go to the Sequoyah Regional Library's website at <https://sequoyahregionallibrary.beanstack.org>. You will see a Beanstack logo on our homepage. Click on the logo or link and it will direct you to the library's Beanstack landing page!

From the landing page you will be able to do the following:

1. Create a Beanstack account for yourself
2. Have the option to register more adults and/or child(ren)
3. Sign up for the library's Summer Reading Challenge!

## **I've Created My Account In Beanstack, Now What?**

You will now have the ability to sign back into your Beanstack account all summer long and log your reading minutes and activities to earn badges! Additionally, you will be able to access book recommendations, view book lists, and write book reviews to share with others. Happy reading!
