All expenses incurred because of protest will be the responsibility of protester regardless of results. No complaint or appeal based upon the statement that the judge or judges are incompetent will be considered. Where a protest is made against competition of an animal, notice should be filed with the Superintendent of the department before the class is passed upon, so that the judges may be instructed to place a reserve award, that premiums be properly distributed in the event the protest is sustained.
- **Bedding:** Woodchips may be purchased on the grounds. Purchases can be made in respective barns with times posted in respective barns. **Straw is not allowed in barns.** Shavings are \$7.00/bags.
- The space and stalls in the barns are for exhibit purposes and must not be filled with feed. **Straw is not allowed in barns.**

Red River Valley Fair premiums will be paid after judge's reports and show records have been verified.** In the case where special premiums, trophies or awards are offered by breed associations or others, detailed reports must be filled out by the superintendent indicating the source of the award, the winner of the award, and the distribution of the award. In the instance where a premium is figured on a percentage basis the complete breakdown and formula used must be filed with the Fair office.
- **Judges:** Judges are requested to carefully read the general rules under the head of the department in which they are to serve before they begin their duties and to especially note and mark the rules bearing on the classes judged by them. Ignorance of the rules is inexcusable.
- Judges must not award prizes to an unworthy animal or exhibit. It is the intention of the Fair Board that no premium or distinction of any kind shall be given an animal that is not deserving. This rule must be strictly adhered to whether there is competition or not.
- Where there are fewer entries in a class than the number of premiums offered, judges may, at their discretion, award a prize or prizes of such grade as the animals deserve.
- Judges shall report to the Superintendent any exhibitor who in any way, whether in person, by agents, or assistants, interferes during the adjudication, or shows any disrespect to them. The Superintendent shall, at his/her discretion, demand a proper apology from such exhibitor, or he/she may be excluded from such competition and the Board may withhold any premiums that have been awarded him/her, and expel him/her from further competition at the Fair.
- The judge and the person acting as clerk to the judge must enter awards properly in the award book and ensure that registered names and numbers of all animals are given.
- The Judges and Superintendents of the departments shall sign each award book immediately after the awards have been made in the class contained therein. No appeal of the decisions of the judges will be considered by the Board except in the case of fraud.

- Each Superintendent must take charge of the books and return them promptly to the Fair Manager's office as soon as each is judged. No changes will be allowed in the judge's book unless by order of the Board. It shall be the duty of the Superintendent at the close of the Fair to make such suggestions for improvements as said occur to them during the Fair.
