## PRODUCT INFORMATION

# CITRA SOLV

## HEAVY DUTY DEGREASER AND CLEANER

<b>Function:</b> Cleaner	<b>Application:</b> Degreasing	<b>Form:</b> Liquid
-----------------------------	-----------------------------------	------------------------

### DESCRIPTION

**Magna Citra Solv** is a highly concentrated solvent cleaner and degreaser that is used in a variety of industries including mining, automotive, marine, off-shore oil and gas as well as road paving and machine shops.

**Magna Citra Solv** is specifically formulated to clean heavy equipment, engine parts, and other metal components.

### FEATURES

- Magna Citra Solv is a highly concentrated solvent degreaser that penetrates stubborn stains
- Low toxicity will not harm personnel or marine life
- Can be applied by spraying or wiping or by immersing components
- Magna Citra Solv leaves behind a pleasant citrus fragrance and eliminates foul odours

### DIRECTIONS FOR USE

#### Surface Cleaning:

- Apply full strength and allow to saturate for 10 to 15 minutes. Agitate if needed.
- Rinse with high pressure water; preferably hot. Reapply if needed.

#### Dip Tank Cleaning:

- Soak parts until grease has softened. Rinse with water.
- Great alternative for VARSOL.

**CAN BE APPLIED BY SPRAYING, DIPPING OR WIPING**

### PACKAGING

- 20L Pail
- 200L Drum
