

Your Corrosion Solution

PRODUCT INFORMATION

VAPPRO 800

NATO STOCK NUMBER# 6850.32.076.1080

Function:

Vapour Corrosion Inhibitor (VCI)

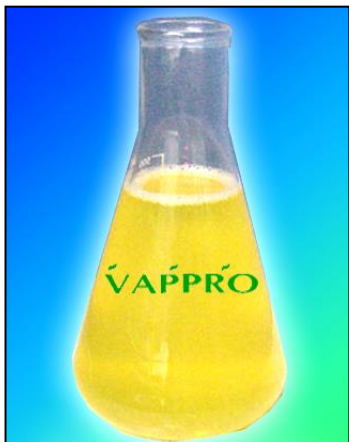

Application:

Cleaner Degreaser

Form:

Liquid

DESCRIPTION

VAPPRO 800 is a water-based heavy-duty multi-purpose cleaner and degreaser. It is specifically formulated with powerful detergents, emulsifiers, wetting agents and a Vapour Corrosion Inhibitor to meet the requirements for cleaning all equipment and heavy-duty vehicles. Along with cleaning, it provides protection from flash corrosion on metal surfaces. This product will clean and dissolve grease, oils, road films, insect residues, smoke and soot. It cleans accumulated dirt and debris from automobiles, trucks, trailers, buses, taxis, boats, mobile homes, recreational vehicles, aircraft and farm equipment. When used with pressure washing equipment, this product provides effortless cleaning, rapid penetration through layers of buildup, and streak-free rinsing.

VAPPRO 800 safely cleans plus protects metal surfaces from corrosion in one process. This product is safe to use on glass, aluminum and most types of painted and finished metallic surfaces. **VAPPRO 800** will not damage, dry out or crack rubber and plastic moldings around windows and doors.

VAPPRO 800 can be used in a wide variety of industrial and institutional facilities. These facilities include truck fleets, pipelines, refineries, oil rigs, auto and truck rental agencies, bus garages, commercial car washes, equipment rental companies, military equipment and vehicles, mobile home and recreational vehicle dealerships. It is also suitable for vehicle maintenance shops and aircraft maintenance shops.

Most cleaning compounds available on the market today are simple blends of surfactants and detergents. However, **VAPPRO 800** offers improved cleaning plus corrosion protection. It cleans and protects your equipment in one easy application.

VAPPRO 800 is widely used in the armed forces around the world. It is listed with **NATO** and bears the **NATO STOCK NUMBER # 6850-32-076-1080**

FEATURES

- Heavy-duty chemical cleaner and degreaser
- Unique cleaning action through solubilization of hydrocarbon deposits
- After cleaning prevents corrosion on metals with a temporary protective coating
- Non-toxic, non-corrosive, phosphate free and biodegradable
- Provides excellent cleaning action at low temperatures

DIRECTIONS FOR USE

Dilution ratios vary with the degree of soil, type of soil to be removed, amount of sudsing desired, temperature and amount of pressure available with equipment.

Suggested Dilutions:	
Heavy accumulations	1:30 with water
Cars, Taxis, Light Soils	1:50 with water
Boats, Mobile Homes, Recreational Vehicles	1:80 with water

PACKAGING

- 20L Pail
- 200L Drum

Manufacturing Facility
1450 Government Rd., West
Kirkland Lake, ON
P2N 2E9 Canada
