

PRODUCT INFORMATION

VAPPRO SECURITY LABEL

NATO STOCK # 7690-32-076-1189.

Function:
Enhances Security

Application:
Security Labels

Form:
Label Sticker

DESCRIPTION

VAPPRO Security Label is a 10.2cm by 7.5cm green foil security label. It is specifically developed as a security label for sealing all openings of military vehicles and equipment after Vapro Corrosion Preservation.

VAPPRO Security Label is a tamper-proof security label to keep vandals away from storage equipment. It is a security label used extensively in sealing the preserved equipment of the Singapore, Taiwan and Philippines Armed Forces. The Canadian Armed Forces has also sanctioned the use of **VAPPRO Security Label** for all military equipment that is in storage.

VAPPRO Security Label is listed in the **NATO** Codification System with assigned number: **7690-32-076-1189**.
