

Dog Agility Classes

GotDog? Agility is a NADAC sanctioned club that offers dog agility trials, seminars and classes throughout the year in the Bozeman area. We focus on NADAC style agility courses and handling.

If you have a dog and want to have fun... agility is for you! It is a great way to exercise your dogs mind and body plus get a little exercise for yourself!!

Our classes don't just focus on those that want to go on to the competition level. But I will warn you... agility is a little addicting :) They are fun and a great way to meet others in the area and play with your dog.

Please visit our website www.gotdogagility.com to find out more about our classes. We update our site regularly so watch for new classes being introduced, new instructors, seminars coming to the area, and our trials we hold in the valley.
