
DANIEL M. BARNETT

PROFILE

*I am looking to leverage my experience as an **Implementation Specialist**, knowledge in **analytics**, skills in **IT, management** experience, and knowledge of business development for placement in an executive level position. I have a working knowledge of **MS Office, VMware, Citrix Systems, CRM, EHR backend**, as well as many other operation critical systems. I am **Entrepreneurial** in spirit; **Honest, Punctual**, and eager to learn in a team environment. For a more detailed view of my executive profile visit danbarnett.info.*

WORK HISTORY

PRINCIPAL OWNER, NORTH GEORGIA MEDIA; CARTERSVILLE, GA

North Georgia Media offers services and consulting in Marketing, Web design, Digital Publishing, Photography, Video, Time-lapse, Drone work, and Hyper-lapse imagery. Our solutions are being used for ad work, litigation, road projects, new product or service launches, and training tools.

IMPLEMENTATION SPECIALIST, CIMPLIFY; FRANKLIN, TN

CIMplify is a physician owned single-specialty medical practice management company. I started working as an **Insurance Collection Analyst**, and then worked into the **IT** field where I spent the remainder of my time. I worked as a member of an implementation team to create software training tools for physicians and support staff. Officially titled as the Director of Special Projects; I created tools for distribution on the web, in video format, and in educational handouts. I traveled to clinics throughout the southeast to work with practices onsite and develop solutions that improve efficiency and patient through-put. While working under the direct supervision of the CIO, I gained a working knowledge of relational database infrastructure, backend management of medical record systems, and VMware

CIVILIAN MONITOR, METRO NASHVILLE POLICE DEPARTMENT

Organized information from active cases into categories using software to transcribe phone conversations relevant to the cases. I was required to actively monitor multiple lines and determine the relevance of the information while the call was active. I reported to the Director of the 20th Judicial Drug Task Force and the District Attorney / Assistant D.A..

APPRAISER APPRENTICE, THE CARY GROUP; BRENTWOOD, TN

Used knowledge of state and federal real estate guidelines to develop accurate supported and timely appraisals. Determined value and characteristics of individual properties in preparation for analysis by sales comparison method. Worked in the field communicating with clients and organizing data for input into software systems that calculated value.

INFANTRY RIFLEMAN, UNITED STATES MARINE CORPS

Served 4 years actively training in the Marine Corps Reserve. Received the National Defense Service Medal, Armed Forces Voluntary Service Medal and the Good Conduct Medal while serving as an Infantryman in 2nd PLT/India Company/3rd Battalion/24th Marine Regiment/4th Marine Division.

ROUTE SALES, DET DISTRIBUTING

This position required weekly sales meetings for placement strategies. While working with a route supervisor, I was able to improve the route, and increase sales by winning new package placement or display space. This position gave me valuable sales experience and exceptional strategy exposure utilized by a multi-billion dollar industry.

EDUCATION / CERTIFICATES

BELMONT UNIVERSITY, NASHVILLE, TN – BACHELOR OF SCIENCE, BUSINESS ADMINISTRATION

HARVARD BUSINESS NEGOTIATIONS PROCESS

MARINE CORPS LEADERSHIP COURSE

ASPEN ACHIEVEMENT ACADEMY, BICKNELL, UTAH - DESERT SURVIVAL

SKILLS

Microsoft Office Enterprise • SQL Tools • Mac OS Pages • Numbers • Keynote • Adobe Creative Suite • Acrobat PDF Security Management • HTML Code • Power-shell • Allscripts Pro EHR • Quickbooks • VMware
