Essay Writing :- "Cleanliness"

Cleanliness is a virtue of life. A good health is not possible without cleanliness, and good hygiene. A good student is who is very vigilant to his health. Everyone needs to encourage others to keep their surroundings clean. There are many essential things that we need in life, like food, water & clothes. It's one of the things we need to learn, and make parts of your lives. One of the things that you need to remember, is that you need to keep the country clean as well. Many people think that keeping your house clean is enough. However, you need to realize that you need to keep your country clean too, instead of thinking it's someone else's responsibility. You need to take on to yourself that you don't contribute negativity to country's environment, and then we talk about personal cleanliness. It means taking a shower regularly. Another thing is that you need to remember, to wash your hands before eating a meal. So it is very important for everyone to take care of their health.
