UNIT 1 Lesson 3 Reading: Diving for treasure Cartoon

A Read the cartoon and answer the questions.  What are Max and Jake looking for? What do they find?

Jake and Max are looking for a sunken ship on the seabed. Max is looking at the seabed below the boat on the echo-screen.

1 I've found something! Come and look.
It looks like a ship!

2 Jake gets ready to dive.
It's 80 metres below the surface, so I'll put on the heavy diving suit.
About 40 minutes, I think.
How long can you stay down at 80 metres?

3 Jake dives into the water. He goes down to the seabed. He gets his air from the boat through an airline. He can also speak through the phone line.
Can you see the ship?
Yes, I'm getting closer to it now.

4 Jake goes inside the ship's cabin.
Keep talking, Jake. Where are you now?
I'm going inside the ship now. It's very dark.

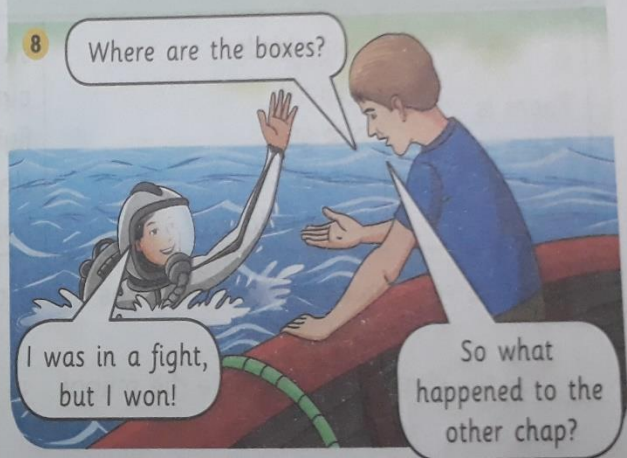

5 Jake goes into the ship's cabin. There are lots of boxes. He starts opening them.
There are lots of boxes. I'm opening one of the boxes now...
This is amazing... gold plates and silver cups! I wonder what else is down here!

6 Jake feels something on the back of his neck.
I'm opening one of the cupboards now.

Jake fights with the giant octopus. It wants to pull off his mask. Jake has to pull its tentacles away.

Half an hour later, Jake arrives back at the surface. He has left all the boxes on the seabed. But he is safe.

B In which picture ...

- a do Max and Jake first find the ship?
- b does Jake find the treasure?
- c does Jake meet the octopus?
- d does Jake talk about the fight?

C Read the story again and answer the questions.

- 1 What do Max and Jake use to find the sunken ship?
- 2 How far is the sunken ship from the boat?
- 3 How long does Jake plan to spend on the seabed?
