**Poetry**  
*My House*

*I have built my house  
Without sand without water  
My mother's heart  
Forms a great wall  
My father's arms  
The floor and the roof  
My sister's laughter  
The doors and the windows  
My brother's eyes  
Light up the house  
My home feels good  
My home is sweet*
