Our Shared Commitment

We invite you to participate in Our Shared Commitment, our new membership model that allows you to choose a membership contribution that is meaningful and appropriate for your household.

Sustaining Amount
By participating in Our Shared Commitment, together we help cultivate purposeful Jewish lives for all members and provide a home for those who wish to join the Temple Beth Israel community. Based on the 2020/2021 budget, the cost to run TBI is $2240 per member household.

Circles of Giving
Our Circles of Giving members play a critical role in Temple Beth Israel's mission of being a Center for Jewish Life. It is because of their elevated giving that TBI is able to offer relevant and innovative programming to ensure a strong Jewish future. We invite you to become a Circles of Giving member if you are able.
