

Come learn about Proposals to Eliminate a Railroad Weight Restriction in Hackettstown

Join us on

Wednesday, February 26th

Come any time 4:00 - 8:00pm

(Brief presentations at 4:30 & 6:30)

Town of Hackettstown Municipal Building

215 W. Stiger St, Hackettstown, NJ

This meeting is being held to present the preliminary preferred alternative to address the existing weight restriction issue at the 3rd Ave drainage culvert under the Washington Secondary rail line, and to receive feedback for the proposed solution. This study is being conducted by the North Jersey Transportation Planning Authority (NJTPA) in partnership with Warren County.
