

The Virtual Bazaar

For the first time in many years, Trinity did not have our traditional Fall Bazaar in 2020 due to the Covid-19 pandemic. The bazaar is a great time of camaraderie and fellowship for the congregation and brings the community to our church. The bazaar is a source of funds for our budget. Although we finished the 2020 year in the black due mainly the CARES money received from the Covid relief legislation, making ends meet is going to be more of a challenge in 2021. Whether we will be able to host a bazaar and other fundraisers such as the basket auction and “iron chef” events is unknown.

The Vestry is asking you to think about the many hours of time you would have donated to put on the bazaar and events, and about the money you might have spent on donations for and purchases at these events. I have already made a rough estimate of how much time and treasure I would have spent and have written a check to Trinity. I hope you will please join me and make a donation to help Trinity come through 2021 in good financial health.

Thank you, Jean Giesel for the Trinity Vestry
