

# Northside Christian School

## Yearbook Business Ad Order Form

We are excited to offer local businesses the opportunity to place ads in the 2020 Northside Christian School all-color, hard cover yearbook printed by Jostens. There are four different sizes of ads to best fit your business and budget, and we truly do believe purchasing an ad in the NCS yearbook is a win for both your business and our school. Your business will get a quality ad for a very fair cost – and this ad will last forever! Also, by supporting local education and families that live and shop in your area, you will garner appreciation and additional notoriety and business. It is a win for the school, because it helps us keep our yearbook costs down for any student to be able to afford one.

To purchase an ad, please complete this simple order form and provide payment in cash or check (made out to Northside Christian School). If you would like to use your business card or other artwork, please provide that as well.

You can mail this order form, payment, and content from you, to Northside Christian School, yearbook adviser, Mrs. Jamie Barnes, 7800 Northside Drive, Charleston, SC 29420. You may also email digital files for use in the ad such as clipart, photos, or the ad itself to [ncseyrie@gmail.com](mailto:ncseyrie@gmail.com)

Thank you for your support, and if you have any questions, please contact Mrs. Jamie Barnes, yearbook adviser, at 843-797-2690 or [jbarnes@northsideministries.com](mailto:jbarnes@northsideministries.com)
