13th Annual Navaroli Young Musicians Competition 2021-2022

Application Deadline : Postmarked by December 1, 2021

South Valley Symphony announces the 13th Annual Competition for talented young musicians residing and/or training in southern Santa Clara (south of Bernal Road), San Benito, Monterey and Santa Cruz Counties. The 1st place winner of this competition will perform as the featured soloist with South Valley Symphony during the March Concert, scheduled for 7:30 pm **Saturday, 12 March 2022**, at the Gavilan College Theater in Gilroy. The Navaroli Competition is open to strings, winds, brass and piano.

The purpose of the competition is to encourage young musicians to develop their talent and skill, to motivate them with a chance to perform before a live audience with symphonic accompaniment, and to reward and honor them for their achievements and dedication.

HOW TO APPLY

Complete the Application included in this document. Each application form must be accompanied by a 15 minute CD recording of the Contestant's performance of their chosen musical piece (or a representative selection thereof), submitted for pre-screening purposes. Following pre-screening, all contestants will be notified as to whether they qualify for formal audition in person.

RULES & PREPARATION

Age Requirements:

Apply for the category based on how old you will be January 1, 2022.

Choose one of the following Categories;

Winds, Strings & Piano

- Junior Category: Age 12 & Under
- Intermediate Category: 13 – 15
- Senior Category: 16 – 19

Residency Requirement

All applicants must reside in, *or* study with a music instructor who resides in southern Santa Clara County south of Bernal Road, San Benito, Monterey or Santa Cruz counties. Please include with your application a photo copy of proof of residency within the above boundaries. You may provide a utility bill or photo ID.

An exception to the Residency rule will be for the teachers who live outside these counties, but have played with South Valley Symphony as musicians – these instructors are considered members of the SVS Family, and their students are also thereby eligible to participate in the Competition.

In this case, please include your teacher's name & contact information.

The Navaroli Young Musicians Competition is open to All Strings [including Harp], Wind Instruments, Brass Instruments and Piano. Please note that SVS also considers small ensemble groups [e.g., double concertos] as acceptable in this competition, as long as the music includes orchestral accompaniment. It is envisioned that there might be more than one Navaroli Winner among these contestants.

Audition and Music: A maximum of ten (10) Finalists will be accepted for Live Audition on **Saturday, 8 January 2022**. Pre-Audition Screening will be done using the submitted CD [**due Wednesday, 1 December 2021**.] For the Live Audition on **8 January 2022**, each accepted applicant must perform as follow:

- **Strings, Winds, Brass, and Piano:**

Perform the first movement from a Concerto or a Featured Piece, written for your instrument from within the standard repertoire: Baroque, Classical, Romantic, or Modern Eras. If you have questions as to whether or not your selected piece is appropriate, please contact us in advance of sending a recorded CD. The selected piece should be **orchestrated** either for full orchestra, chamber orchestra, or for string /woodwind ensemble. For example, stand-alone sonatas are not acceptable because they are not orchestrated.

If an entire concerto has the duration of roughly 15 minutes, then the Contestant should perform that entire concerto, both at audition and at concert performance if selected as a winner. Younger contestants in the junior or intermed. level will need to submit a minimum of 6 minutes. Please see the application for the audition piece time lengths as it relates to your age.

The Audition CD and the Live Audition should be performed with piano accompaniment. Each applicant is responsible for providing **their own accompanist** for the competition. A piano is available at the Live Audition site to accompany the instrumental and voice soloists. For those contestants competing on Piano itself, a second piano will be available so that the accompanist will play a reduced orchestral line along with the solo pianist. Each Contestant shall also provide **two** copies of their music to the judges on the day of the Live Audition. Each Contestant will be allowed a maximum of 15 minutes for their live performance at Audition; hence, the Audition CD for pre-screening should also be a maximum 15 minute performance.

JUDGING

Judging will be carried out by the South Valley Symphony's Music Director, Anthony Quartuccio, and a select group of orchestra members, each being professional, semi-professional, or highly accomplished musicians. The judging will be in an open room, with the judges in plain view. Criteria for judging, and commentary notes back to contestants, will focus on accuracy in pitch, meter, and tone quality; suitability of the selected piece for the Contestant and the Symphony; and general musicality and performance of the Contestant. Both the January Audition Performance and the March Concert Performance must be played with the music memorized. Decision of the judges is final; the winner(s) will be announced at the conclusion of the Auditions.

We reserve the right to select one or more soloists from any of the categories to perform based on competition results.
