PReCiSE_ability

What is PReCiSE_ability (Peer-Reviewed Curriculum Solutions Evaluating_ability)? We're developing a curriculum catalog with lesson plans for in-person and virtual Trailblazer Academy classes to better align instruction with skill development. We've built a peer-review component into this work by establishing our PReCiSE_ability advisory board, composed of faculty from Florida Gulf Coast University and Keiser University as well as current and retired Collier County Public Schools employees.

200 NEW Lesson Plans
