Over Tim's career, he has worked in a range of roles including Team Leader, Training Supervisor, Diesel Mechanic and Trades Assistant. Tim has been in the Australian Defence Force (ADF) since 2001. Starting off in the ARMY as a Security Operations Specialist, Tim then progressed to Training Supervisor/Team Leader, shortly followed by working as a Diesel Fitter. Whilst undergoing the role of a Diesel Fitter, Tim was entrusted with installing, configuring, repairing and maintaining all manner of plant and equipment, including mechanical, electrical, electronic, pneumatic and hydraulic systems for vehicles ranging up to heavy rigid.

He also planned, implemented and managed preventative and emergency maintenance programs; diagnosed faults and conducted troubleshooting on critical plant that was required for 24/7 operations; personally maintained a spectrum of specialist Defence vehicles and planned all maintenance work and allocated maintenance jobs to junior staff. Tim has also previously worked as a Plumber's Trade Assistant.

Tim is looking for an opportunity to undertake a Mature-Aged apprenticeship in Air-Con/Refrigeration.
