

**BOYS & GIRLS CLUB
OF ALPENA**

Boys and Girls Club of Alpena Gym Floor Legacy

The gym floor legacy project is a way for the Boys and Girls Club of Alpena to honor the past and recognize the rich history of the Catholic Central High School and other community partners. We will be working with a local artist to create a gym floor mosaic on the walls to help create a legacy of giving and celebrate the past 50 years. Each gym floor will be inscribed with an individual's name and graduating class. This is a great way to honor and memorialize family members and anyone with history in this building. Each donor gets two pieces of flooring. One will be on display at the new building and the other is yours to use however you wish. All proceeds will be used to help support the Boys and Girls Club's Open New Doors Capital Campaign.

Gym Floor Inscription

\$100- (2) 3" x 12" Pieces of Gym Floor 1 name or family designation
