

# FREE TRIAL: A/B Split Test to Optimize Activity

Here's how it works:

**1) Pick something to optimize**  
An experience or a process

**2) We do design/setup/launch**  
As well as define success

**3) Results & Key Findings**  
Timely actionable insights!

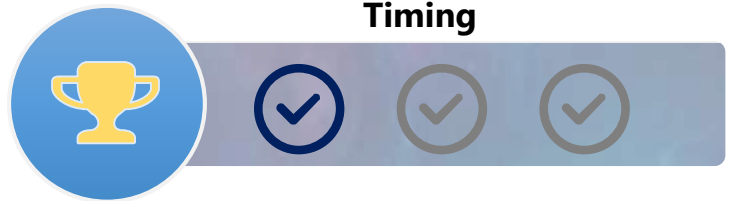

## About the FREE A/B Split Test

Test A vs. B, or do a test vs control, to optimize activity immediately.

Client simply needs to:

- Work with us to design, setup and launch the test.
- Agree all work being provided is FREE and thus the client holds no claim to Insights' resources or efforts.
- Provide Insights Analytics with a review or testimonial via email upon completion, and permission to use it as a case study.

Insights Analytics will deliver a clear, concise, and meaningful analysis of robust value and immediate incremental opportunity- COMPLETELY FREE with the Booking of ANY Discovery Meeting! [\[Book Now\]](#)
