## ***PUBLIC NOTICE:***

The Fort Belknap Tribal Housing Authority (FBTHA) is announcing its intention to apply to the U.S. Department of Housing and Urban Development (HUD) for Indian Community Development Block Grant funds authorized under the American Rescue Plan Act (ICDBG-ARP). ICDBG-ARP funds are being offered non-competitively through the HUD Office of Native American Programs and must be used for emergencies that constitute imminent threats to health and safety and that are designed to prevent, prepare for, or respond to coronavirus. FBTHA is eligible to apply for up to \$1,035,000.00 in Phase II funding and plans to use these funds to improve the safety and security of approximately 28 owner-occupied homes on the Reservation. To do this, FBTHA will replace failing T-lock roofs and siding, faulty doors and windows, and install air purifiers. Applications for ICDBG-ARP Phase II funding are being accepted by HUD starting on September 3, 2021.

Community members are invited to review and comment on FBTHA's proposed use of ICDBG-ARP funds until Friday, August 27, 2021. Written comments may also be submitted to Mr. Harlan Mount, FBTHA Executive Director, no later than 4:00 pm on August 27 either at the Housing Authority main office, by phone at 406-353-2601, or by email at [harlan\\_wolf@yahoo.com](mailto:harlan_wolf@yahoo.com).
