February 2, 2021

Dear Sisters and Brothers,

We are very disappointed to announce that due to the COVID -19 pandemic, attendance at Pennsylvania's Grand Chapter in June 2021 will be limited to Pennsylvania members only.

This decision was made by our Board of Directors who met last evening via Zoom. The safety and well being of all our Sisters and Brothers was and is foremost in our minds.

As much as we look forward to seeing our Sisters and Brothers from other Grand Jurisdictions, we feel we must forego that pleasure for this year. We look forward to the day when all the restrictions will be a thing of the past and we can once again resume our normal activities.

We do not know what the future will hold but we do know who holds the future.

Sincerely and Fraternally,

Virginia L. Plyler, PGM  
Grand Secretary
